"Aspiring Software Developer with expertise in React and JavaScript."

SKILLS: HTML, CSS, C++, Python, Java, JavaScript, SQL, Spring, Hibernate, Web Services (RESTful, SOAP), React, MongoDB, Convex

PROJECTS

Password Generator

Technologies Used: React, Tailwind CSS, JavaScript

- **User-Friendly Interface:** Designed an intuitive UI with Tailwind CSS, making it easy for users to navigate and generate passwords quickly.
- **Clipboard Functionality:** Integrated a feature to copy the generated password directly to the clipboard, enhancing user convenience.
- **Responsive Design:** Ensured the application works seamlessly across different devices, providing a consistent experience on desktops, tablets, and smartphones.
- **Customizable Options:** Implemented functionality that allows users to choose specific character sets and password lengths to meet varying security requirements.

Counter Application

Technologies Used: React, JavaScript, CSS

- **Increment/Decrement Functionality:** Implemented buttons that allow users to increase or decrease the counter value, demonstrating the use of React state to manage dynamic data
- **Responsive Layout:** Ensured the application is fully responsive, providing a consistent experience across various devices and screen sizes.

ACHIEVEMENTS AND COMPETITIONS

- **3rd Place - "BrainWave" Programming Competition**
Institution: Graphic Era Hill University
Date: June 3rd, 2023
Category: First-Year Students
Description: Secured an impressive **3rd rank** in the "BrainWave" Programming Competition, showcasing strong problem-solving skills and programming expertise among first-year students.
- **2nd Place - Intra-University Web Development Competition**
Institution: Graphic Era Hill University
Description: Collaborated with a team to secure 2nd rank in the intra-university web development competition. Demonstrated proficiency in web technologies and teamwork by delivering a high-quality project that met the competition's criteria.

EXPERIENCE

Class Representative

Graphic Era Hill University

Duration: 1 Year (First Year)
